Moyea PPT To DVD Burner Pro Crack +

Moyea PPT to DVD Burner Pro is the most sophisticated and powerful application designed specifically for the creation of DVD and Blu-ray discs. This very application allows you to convert your Microsoft PowerPoint presentation to a video file in any of the available formats or burn them to DVDs or Blu-rays without affecting the original media. To do so, you'll have the option to select whether you want to convert your presentation to one of the supported formats (AVI, MPEG, FLV, 3GP, MP3, VOB, WMV, and MOV) or to burn them to a DVD or Blu-ray disc. Additionally, in this case, the menu templates designed with this application enable you to design the DVD menu, set the language, choose the background color, format, size, add your personal logo, titles and watermarks, burn your presentation in the selected format and much more. If you decide to use this application, you must already have PowerPoint installed on your computer and a DVD or Blu-ray drive. Windows 10, 8, 8.1, 7, Vista and XP recommended. Get Moyea PPT to DVD Burner Pro right now for 30-day free trial and learn more about the app! ***IMPORTANT*** To protect your investment, please be informed that if you purchase this application, you will receive the license key on the account that you used to download it.
