
Huawei HG520b WiFi for Galaxy Mid Note

Oct 10, 2019 Where can I download the new firmware of the router? Thank you very much. Sep 29, 2019 download the patch for echolife hg520a, hope this can help you. Sep 08, 2019 I got a huawei echo life hg520 and I am trying to update it to the current version of echo life. I went on to the Huawei website and downloaded the software from that. When i try to open it nothing happens. I have a windows pc. I put the file in a folder and ran it as an administrator. I clicked the start button on the GUI. No options pop up and nothing happens. How do i update to the current version? Sep 05, 2019 I have bought echolife hg520 router and have tried to update the firmware using the huawei guide. Unfortunately I have been unsuccessful because at the bottom of the huawei guide it tells me to download the firmware using the update software from the router, but I can't find the update software on the huawei website. Can anyone help please? Sep 05, 2019 I've tried to update the firmware on echolife hg520 but i get the message error: the firmware is already up to date! why? Jun 21, 2019 I have bought echolife hg520 router and have tried to update the firmware using the huawei guide. Unfortunately I have been unsuccessful because at the bottom of the huawei guide it tells me to download the firmware using the update software from the router, but I can't find the update software on the huawei website. Can anyone help please? Apr 15, 2019 I have bought echolife hg520 router and have tried to update the firmware using the huawei guide. Unfortunately I have been unsuccessful because at the bottom of the huawei guide it tells me to download the firmware using the update software from the router, but I can't find the update software on the huawei website.
