The first link is for the figure. Then as a result you will see a page that is designed for tablet. A: If you are using a browser that supports WebGL, you can download this demo and view it in a browser. It's pretty visual. Mickey Walsh Michael Joseph "Mickey" Walsh (13 August 1949 – 2 December 1999) was an Irish hurler who played as a midfielder for the Kilkenny senior team. Born in Barrack, County Kilkenny, Walsh first played competitive hurling whilst at school in Birr. He arrived on the inter-county scene at the age of seventeen when he first linked up with the Kilkenny minor teams as a dual player. He made his senior debut during the 1968 championship. Walsh immediately became a regular member of the starting fifteen, and won three All-Ireland medals, six Leinster medals and four National Hurling League medals. He was an All-Ireland runner-up on two occasions. As a member of the Leinster inter-provincial team on a number of occasions, Walsh also won two Railway Cup medals. At club level he won two championships with Birr. Throughout his career Walsh made 38 championship appearances. He retired from inter-county hurling following the conclusion of the 1978 championship. In retirement from playing Walsh became involved in team management and coaching. He served as coach of the Kilkenny under-21 hurling team from 1982 until 1991, and had stints as Kilkenny manager and Kilkenny under-21 hurler. Playing career Club Walsh enjoyed a distinguished career with Birr. A three-time county club championship medalist in the early 1970s, he later claimed one championship in 1984 and a second in 1989. Inter-county Walsh first played for Kilkenny as a dual player with the minor team in 1968. He was a key member of the team when Kilkenny faced the future All-Ireland title favourites Offaly in the 1967 Leinster final. Walsh scored 4-2 in a 3-9 to 1-9 victory for the Kilkenny minor team. After progressing to the senior ranks in 1968, Walsh became a regular member of the starting fifteen. At the end of the 1973 championship he was a key
