Merging sci-fi action and comic book aesthetics, Feel The Flash - Kasumi - Rebirth is a explosive, visceral erotic action adventure. Kasumi is a key character in The Legend of Heroes universe, who lost her legs as the result of a nuclear attack and gained the ability to use her mutagenic augmentations as weapons. The game is a visual novel/dating sim, in which you can take charge of Kasumi's character, and eventually, what she can look like and do. As Kasumi enters her 30th year, the city she calls home has been divided into a series of settlements all named after famous locations in The Legend of Heroes, and strung along the coast. Kasumi's father, a legendary hero and military leader of the revived state of Towa, has gone missing in action while serving a second tour of duty against the humanoid mutants known as Nesians. Kasumi is determined to track him down and find out what happened to her father, and to do that, she is enlisted by the leader of the last remaining force of veterans, a man who calls himself "The
